

ATP  
GLOBAL

*Advancing equity, integrity, and learning*

# ANNUAL **REPORT** 2024-2025

---

[www.testpublishers.org](http://www.testpublishers.org)

This year, ATP proudly hosted the 26th Innovations in Testing Conference in sunny Orlando, Florida. With record-breaking attendance, a diverse audience, and a program featuring dynamic, forward-thinking sessions, the 2025 Conference showcased the energy and relevance of our growing community. Our theme, “Better Together: Testing the Limits,” reflected not only the collaborative spirit of our field but also our collective ambition to push boundaries in innovation, equity, and assessment quality.

In Europe, the 2024 E-ATP Conference in Berlin marked our third consecutive year of in-person events and served as a vital touchpoint for global leaders in the testing industry. With engaging sessions and robust participation, this event highlighted ATP’s continued leadership in the international assessment space. We are already looking forward with great excitement to the 2025 E-ATP Conference in Dublin, where we will continue to build on this momentum.

Now in its third year, the ATP Learning Academy continues to grow as a cornerstone of our educational mission. Following the success of our Introduction to Assessment Literacy course, we are actively developing new offerings to meet the evolving needs of our members. ATP’s commitment to professional development is stronger than ever.

In response to the rapidly changing landscape of assessment, particularly in areas such as AI, data security, and accessibility, ATP has significantly expanded its library of educational resources. This includes a steady cadence of monthly coffee chats and webinars, as well as new white papers, legal alerts, and practitioner guides that address the most pressing issues facing our industry.

None of this would be possible without our dedicated volunteers. Their time, expertise, and passion drive ATP’s mission forward. We are grateful for their service and for the continued support of our members and sponsors, whose engagement makes our work and our motto possible: Better Together.

As we continue to adapt to emerging technologies and evolving global needs, ATP remains committed to leading the conversation, delivering value, and advocating for integrity in assessment. Thank you for being part of this journey.

Regards,

William G. Harris, Ph.D.  
CEO

# FINANCIAL INFORMATION 2024

## Expenses

Program Services	\$1,840,294
Management and General	729,543
