## Benefits of your membership for ATP:

ATP is a collegial organization that is only as strong as its membership base. When you support ATP through your membership, you are supporting an organization of industry professionals that have come together for a common purpose – to enhance and enrich testing and assessment in all its forms and uses. When you support ATP your support makes it possible for ATP to continue its work promoting and preserving your industry by.....magnifying your organization’s voice when it comes to legal, legislative and regulatory issues....being a collective voice in responding to public relations and issues in the media...providing your organization with best practices publications, high quality educational events, marketing and networking opportunities, and any other products or services that you – the member – decide that you need, when you need it!
